1- OBJECTIVE

This users guide is distributed within the package of the newcomers at Abivax for whom the DocuShare access is identified by their manager in the" new colleague joining Abivax" Form.

N.B.: For the external contractors, only the section 2.2. related to Purchase Order (PO) is applicable.

2- DOCUSHARE USER MANUAL

As soon as your Abivax email address is activated, you will be able to access DocuShare.

DocuShare is a secured web application which enables us to:

- approve the invoices linked to our projects
- ask approval for a day off and/or a business trip
- ask approval for our T&E reports
- place purchase orders ➔ Dedicated training session for both internal/external employees

Dedicated training session for internal employees, **only**

Docushare is structured by collections. So far, we have 4 main collections:

- 2.1 - Expense reports declined in Comex Expense report

N.B.: the Comex Expense report collection is dedicated to the Comex members so that the other employees do not see the expenses of the Comex members

- 2.2 - Purchase order
- 2.3 - Travel order
- 2.4 - Absence request approvals

The "invoices" and "invoices index" collections are meant for "Finance" only who uploads the invoices in these collections to then be able to submit them to approval.

Below is the link to connect to DocuShare (highly recommended to save it as Websites favorite):

https://docushare.abivax.com/docushare/dsweb/HomePage

Proprietary & Confidential: do not use, reproduce or disseminate without prior written permission of ABIVAX

To connect to DocuShare, your user ID is: first initial of your surname followed by your name – password: only you know it – this is your individual windows password. Please note that each time you change your Windows password, the Docushare password changes automatically, too.

2.1 Expense reports:

Use the excel file template located on the server : O:\Common Activity\Ad.ministrative\Administrative templates

Please do a separate document if you also need reimbursement for Kilometers (see tab 2 "Kilometric expenses" of the template).

Your expense report together with the expense receipts will need to be submitted in a single "pdf" format. (Prior to doing this, please make sure to number your receipts and to put them on a A4 paper).

Please note that the only valid proof for your expense report is the official receipts from the shop/restaurant/bar/etc.. A credit card bill/statement is not valid and cannot be accepted to reimburse your expense. For all expenses in France, always ask for a receipt that includes the VAT (TVA in French) amount. Please double check at the restaurant that you don't have a "Ticket provisoire" which does not specify the VAT amount.

Once approved a notification will automatically be sent to Finance.

However, you are kindly requested to also send your **original** Expense report with the **original receipts** to Account department.

2.2 Purchase orders:

Pre-requisite: Ensure confidential agreement is valid and a master/ service agreement is signed (this does not apply for all supplies nor services as example purchases of office or Lab supplies)

You can verify if Abivax has a valid CDA or MCA in place with the third party in question by key word search on the network at:

O:\Commun\Common Activity\Contracts\SUPPLIERS FILES

Bear in mind that the PO number will be of precious help for the financial account: request your supplier to mention it on any communication, in particular on the invoice.

Step 1: Use the excel file template available here: O:\Common Activity\Administrative\Administrative templates

The quote received will be joined to the excel file **(in a single "pdf" document**). Both are joined as PO attachment through DocuShare.

If applicable, please always attached the signed quote . If the quote does not contain a dedicated signature line, a submission without signature is accepted. If a signature line exists and a signature is thus required to validate the quote, please have it signed before uploading on Docushare. Please submit one merged PDF on Docushare which contains the Excel file and the (signed) quote.

2.3 Travel orders:

Each travel order inferior to 1 000€ doesn't require an approval BUT will be automatically sent to Finance for information. If you request a "need in advance", please inform your Account department by email, cc your manager with the amount needed and the ultimate date you want this advance.

If you request an advance to your upcoming expenses, please make sure that the amount of the advance is inferior to your final total expensesI If the amount of the advance exceeds the actual expenses, the excess amount will be deducted from your monthly salary. To avoid any interference of the advance and the payment of your salary, please always make sure to ask for an advance which is slightly below the total expected expenses.

The T&E expenses are paid twice monthly, on the 1st and the 15th of each month.

2.4 Absence Request approval:

"Absence Request approval" collection works as per the 3 other collections.

When connected to DocuShare:

- the submitter/the approver will see at a single glance the status of a request
- the approver will find the request to approve in his signature book

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Abivax (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
